

Appl. No. : 10/031,913
Filed : May 21, 2002

REMARKS

No claims have been added, canceled, or amended by this amendment. Claims 1-12 and 54-72 were previously canceled by the transmittal letter of the national phase filing under 35 U.S.C. § 371. Accordingly, Claims 13-53 are presently pending.

A reference to related applications has been added to the present application. The entire delay between the national phase filing and the insertion of the reference to related applications was unintentional. No fee is believed necessary to insert this reference because the International Application was filed before November 29, 2000. However, if the Office determines that a fee is necessary, authorization is hereby granted to charge the necessary fee to Deposit Account No. 11-1410.

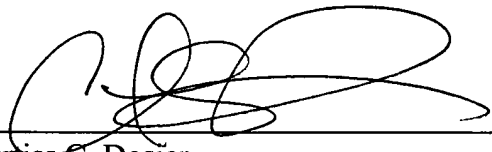

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
